

Family Trail for 2019

1. Purpose of the report

- 1.1 To agree the use of the part or the whole of the attached 'treasure hunt type trail' as the Family Trail activity for this year or
- 1.2 To agree a working party who can quickly pull together an alternative

2. Background

- 2.1 The activity and a budget of £70 was agreed at Committee on 7th of February 2019
- 2.2 No work has been done on this yet.
- 2.3 The elements of a trail map already exist with designers, so it may be possible to negotiate a cost for the re-design and print within the £70

3. Proposal

- 3.1 That members agree to the adaptation of the treasure hunt
- 3.2 That members agree to the negotiation of a redesign and print within budget and if this isn't achievable, that we do the design ourselves
- 3.3 That members support the promotion of the trail

4. Recommendation

- 4.1 That the proposal is agreed and actions taken immediately
