

Report to Burial Committee 20th July 2022

Cemetery & Burial Management

Burials and Ashes Interments to date;

	2020-2021	2021-2022
Full Burials	16	16
Ashes Interments	9	10

Memorial fees to date will be detailed on the Income & Expenditure sheet.

During the transfer of data from Burial Records to software the books were handled much more than usual and it is now required to make some repairs to the books, this has been quoted at approximately £250 per book (there are two that require repair)

Does the Committee agree this expenditure?

The Committee also needs to determine where the next Cremation Interments will take place.
