

Lime Down Solar Park

Targeted Consultation feedback form

June 2025

From 03 June to 11 July, we are inviting your feedback on a series of localised changes to our proposals for Lime Down Solar Park.

These localised changes relate to minor amendments to the development boundary area for the Project, compared to the boundary which we consulted you on during our Stage Two consultation (Jan – Mar 2025).

These changes comprise:

- + Six areas to enable the temporary highway and traffic works that would be required to safely accommodate the Abnormal Indivisible Load (AIL) vehicles needed during the construction phase of the Project.
- + Nine areas where the development boundary has been adjusted to enable access to and within the Project site, and to avoid constraints such as woodland and hedgerows.

The deadline for submitting feedback to this consultation is 23:59 on Friday 11 July 2025.

Providing your feedback

You can use this feedback form to respond to our consultation. Complete as many sections of this form as you would like and send it back to us at **FREEPOST Lime Down Solar**. You do not need a stamp.

Please ensure you return the whole feedback form even if you do not respond to all questions. If you need more space to answer any of the questions, provide your response on a separate piece of paper and attach it to this form.

You can also submit feedback to the consultation using any of the methods listed below:

- + **Email:** scan a copy of your completed form and email it to us at **info@limedownsolar.co.uk**
- + **Online:** fill out the online version of this form available on our Project website: **www.limedownsolar.co.uk**

Any written letters sent to us at **FREEPOST Lime Down Solar** or emails received at **info@limedownsolar.co.uk** during the consultation period will also be considered as feedback. If you are unable to provide your feedback in writing, please contact a member of the Community Relations team at the details provided.

Where can I find more information?

To help you provide feedback to this consultation, we have prepared an Information Change Note which sets out each of the fifteen changes we have made to the development boundary area, along with a description of each change and the reason for it. We suggest you review this document as you consider your feedback.

This document is available to view and download on our Project website. Alternatively, please contact us for information on where to access printed copies (see back cover for details).

Section 1: About you

It's useful for us to understand who has taken part in this consultation, so please can you provide the following details.

Title: Name:

Address:

Postcode: E-mail address:

Are you responding on behalf of an organisation? ☐ Yes ☐ No

Please confirm you are authorised to respond to the consultation on behalf of this organisation: ☐ Name of organisation (if applicable):

What is your age?

☐ Under 18 ☐ 18-34 ☐ 35-54 ☐ 55-74
☐ 75 and over ☐ Prefer not to say

How would you describe your interest in Lime Down Solar Park?

☐ Local resident ☐ Elective representative ☐ Landowner ☐ Local business owner
☐ Regular visitor ☐ Local interest group member (if so, please name):
☐ Statutory organisation (if so, please name):
☐ Other (please specify):

Project updates

If you would like to receive updates about the Project, please tick one of the following boxes to indicate how you would like to be contacted and provide the relevant details in the section above.

☐ Email ☐ Post

You do not have to supply personal details; however, it will help us work together towards meeting the needs of the public during the consultation period and enable us to contact you regarding Lime Down Solar Park. Further details on how we will use any personal information can be found on the back page of this form.

Your personal details will be stored in compliance with the General Data Protection Regulation (GDPR) by Counter Context, acting on behalf of the Lime Down Solar Park project team, and will not be shared with any third parties. More information on privacy and GDPR is available on the Project website.

Section 2: Localised changes to the development boundary area

Q1. Please provide any comments you have on the localised changes to the development boundary area for the Project.

A document setting out each of the fifteen changes we are proposing to the development boundary area, along with a description of each and the reason for it can be found via the Targeted Consultation webpage or Documents library on our Project website: www.limedownsolar.co.uk

If your comments relate to a specific change, please reference the change to which you are referring in your response (e.g. 'Change 1').

Section 3: Additional Comments

Q2. Please use the box below to provide us with any further comments you may have regarding our proposals for Lime Down Solar Park.

What happens next?

Thank you for taking the time to complete this form and provide us with your feedback.
Your views are important to us.

Feedback from our Stage Two statutory consultation and this stage of targeted consultation will continue to be considered alongside ongoing design and environmental work. This will help shape our final design which will be part of our Development Consent Order (DCO) Application submission to the Planning Inspectorate, anticipated later this year.

Subject to our Application being accepted, you will be able to directly register your interest in our proposals with the Planning Inspectorate. The Planning Inspectorate will then keep you informed about the progress of our application as well as further opportunities for you to inform and contribute to that process.

You can find more information about the application process for Nationally Significant Infrastructure Projects on the Planning Inspectorate website at: national-infrastructure-consenting.planninginspectorate.gov.uk/detailed-information

Get in touch
