**PE/26/56 Town and Country Planning (Development Management Procedure) (England) Order 2015 NOTICE UNDER ARTICLE 13 OF APPLICATION FOR PLANNING PERMISSION**

**Land south of Malmesbury Church of England Primary school. Proposed development of construction of a new path, to be used as a temporary vehicle access route during construction for the proposed extension of Malmesbury Church of England Primary school.**

***To note and agree any next steps (owner of land or tenant who wishes to make representations about this application should do so in writing to Wiltshire Council within 21 days of the date of the notice, (therefore 4<sup>th</sup> May 2026).***

Following discussion it was resolved that the Deputy Town Clerk will contact Michael Downes at LUC to request that they engage with the Football Club as members are concerned that the footpath may encroach on land leased by the Football Club and how it may impact them. The Council would also like an explanation as to why a spur of the proposed construction of the new path seemingly goes nowhere. The Council also requests confirmation that the hedge/shrubs removed will be replaced when the area is no longer being used for the vehicle access route.

The meeting closed at 7pm
